Thank you for booking Steven Brundage Magic. In order to assure the best possible performance, the following items and all contents are to be included as part of the performance agreement.

The following items are to be supplied by the sponsor at least 2 hour prior to the performance to allow setup time including sound/video check.

- 4X4 skirted table on the stage.
- One chair without arms set-up on the stage.
- 2 bottles of cold water on the stage.

### Dressing room

- Artist needs room to prep for his show.
- Please provide a Hot Meal and beverage for the artist.

### Set-Up

Set-up time of 120 minutes for loading, set-up and soundcheck.

PLEASE HAVE STAGE/PERFORMANCE AREA SET UP & SHOW READY PRIOR TO OUR ARRIVAL.

### Staging

If the audience size exceeds 80 people, it is recommended that there is a riser/stage at least 12 feet deep and 20 feet long including two standard electrical outlets. (Please note an elevated performance area is always preferred for visibility.) If the stage is to be shared with a band, please call to discuss. If the room is rectangular, place the stage in the middle of the long side of the rectangle. The room then becomes more intimate and makes for a better show.

### Video

Projector with VGA or HDMI cable attachments and screen visible to audience.

Projector & Screen may not be necessary.

Please talk to Bernadette at least 20 days before the show 917-334-7923.
